### 2.1 Audit Methodology

The assessment was conducted in 2manday on **19th December 2019** involving 1 estate of **GREENFOREVER PLANTATIONS SDN BHD**. The audit focused mainly on the conformance of the organization against the requirements of certification standard i.e. **MS 2530-3:2013 Part 3: General principles for oil palm plantations and organized smallholders**.

During the audit, audit team has visited the field, line site, workshop, chemical stores, waste collection areas and other surrounding facilities such as clinic, surau and canteen to verify the implementation of the **MSPO MS2530-3**. Interviews with the team management, employees, contractors and other relevant stakeholders. Apart from the above, records as well as other related documentation were also evaluated.

It is important to note that the finding from this audit is based on samples taken from the organization activities, procedures, records and interview. Statistically, there is always a possibility that one or more issues/areas will remain unidentified during the course of this audit. The absence of non-compliance in any area or activity does not necessarily imply that no lapses or non-compliance exist.

### 2.2 Audit objective

The audit objectives are as follows:

- a) To evaluate the organization conformance against the MSPO standards requirements.
- b) To determine the ability of the management system to ensure that the organization meets applicable statutory, regulatory and contractual requirements
- c) To determine the effectiveness of the management system to ensure that the organization can reasonably expect to achieving its specified objectives
- d) To identify areas for potential improvement of the organization management system (if applicable)
- e) To make appropriate recommendations based on the assessment findings

### 2.3 Audit Team

Lead Auditor	Ahmad Kamal Bin Shahabuddin
Co- Auditor	Gusman Bin Rudin

## 3.3 Summary of Audit Finding

Based on the results of this audit, it is concluded that the certified organization has established, implemented and maintained its management system in line with the requirement of the standard of **MS 2530:3 2013 General Principle for Oil Palm Plantation and Organised Smallholders**.

This Audit is based on interviews, observation and sampling of activities within the organization management system and does not follow that no non- conformity exists in areas where none has been reported

**4.1 Recommendation**

Therefore, the audit team recommended the following action:

	Minor NCR(s) recorded. Corrective action plan has been accepted. Verification of the NCR(s) to be carried out in the next audit.
	No NCR recorded. Recommended for certification.
	Note: Minor NCRs raised in the audit which are not addressed in the subsequent audit shall be upgraded to major NCRs
	Major NCR(s) recorded. Evidence of implementation of the corrective actions have been provided and accepted by the audit team. The NCR(s) have been satisfactorily closed out
	Recommended for certification
